- Not be fully covered by Medi-Cal

## MDPP / MEDIGAP

The Medicare Part D Premium Payment Program (MDPP) pays Part D and Medigap insurance premiums for persons living with HIV/AIDS who are enrolled in the AIDS Drug Assistance Program (ADAP) and a Medicare Part D prescription drug plan. If a vision premium is included in the medical or dental premium, the client will have their vision premiums subsidized.

## PrEP AP

"Brought to healing by a desire to heal myself and the imbalances present in my life, I quickly discovered the gifts of healing that the universe had bestowed upon me and began investigating how I could incorporate this in my everyday life and share it with others.
